

Faith Theological Seminary has rejoiced in the privilege of providing workers for various segments of the Lord's work such as The Independent Board for Presbyterian Foreign Missions, The Bible Presbyterian Church, The American Council of Christian Churches, The International Council of Christian Churches, The Association of Regular Baptist Churches, The Association of Baptists for World Evangelism, The China Inland Mission, The Free Magyar Church, and The Reformed Presbyterian Church, as well as teachers for many Bible Schools, colleges, and seminaries. The seminary rejoices in fellowship with all who love the Lord. It is glad to act in friendly cooperation with all these agencies, but is unable to take a position of subordination to any of them, since this is precluded by the very terms of the charter by which it was established, which declares that it "shall never be subject to the dictates of any ecclesiastical body".

The founders and leaders of Faith Seminary are determined under God to proceed in the future along the lines they have followed in the past. Please pray that God will give us wisdom, to know His will in all things.
