

"Sing O barren, thou that didst not bear." But then he gives the description. "More are the children of the desolate, than the children of the married wife." There he is describing the contrast between the ~~gntile~~ gentile church in the future, and the Jewish theophany in the past. Now that the spiritual ~~out~~ working of the Gentile church is greater.....14.... of the Jewish theophany, but it is larger, it is more extended. And then he is addressing the people of God from there on. The true people of God, without distinction of Jew or Gnetile, and of course these people, actually, they are mostly Jews....end of P 206

AAM: Are children. I would say 90% of true Christians today are children.

It was very interesting the other night to turn on the radio, and I heard this gangster, Jim Vos, speaking, (laughter).... but he told how many times he had been in the penitentiary, armed robbery, and all this, and finally he was in organized crime, and then he went ~~efrwa~~ forward in the Billy Graham meeting in ~~LxS~~ L.A. there, and then he told how he went to his associates of organized crime, and told them how he was leaving them, and was going to devote himself to the Lord's service, and he describes it you know, it was interesting.....  
 ....3 $\frac{1}{4}$ .....gangsters and thugs, and he was the one who was converted, and he had a Christian family, his father was a minister, and he was brought up in the church. He had gone to a Christian college, I believe, and he had been President of the Y.P. society, in the large church there when he was in college. Now, h~~w~~ had gone off into this terrible sin for a long time. And he was converted. Now, some people without that background are converted most wonderfully, but it is true that the overwhelming majority of ....3  $\frac{3}{4}$ .... do have that background. And that was true in the Jewish day, and it is true now. And there have been speical times when the Lord reaches out when there ...4....
