

d-2

from to
 spread there through the land of Palestine and north from Phoenicia. Then it was
 carried across the desert to Syria, to Arabia, and on further, it was carried to
 west, ~~to the sea~~ across the sea to Greece and then overland to Italy and is
 spread to north to Russia. Every alphabetic system that has yet known in the
 world is either directly derived from this system ^{it is} or plainly a system which was
 invented by someone who was familiar with one of the ~~systems~~ systems that came directly
 from the original alphabetic system that began in Southern Palestine, and yet
 _____ says, nothing of any ~~pe-~~ importance has ever happened in Palestine.

Let us go a little further in the statement that ~~will~~ ^{_____} made.
~~Welsh~~ Welsh said that the period of the only time that ~~it~~ ^{Palestine} was ever enjoyed
 any great ~~per~~ prominent~~ce~~ ^{ce} was supposed to be in the reign of Solomon, the
 prominence of that period has been ^{tremendously} ~~tremendously~~ exaggerated. What after all
 do we know about Solomon?
