

make sure that we are born again through His blood, and if we have, in order that we may go forward and grow by His Word and lead others into His kingdom.

Let us pray. Oh God, our Father, we thank Thee for Thy Word, that it is true and dependable. We thank Thee for these wonderful evidences through history and archaeology and the study of Palestine, of the truth of Thy Word, how exactly the conditions and the situations there fit with the dependability of Thy Word. And oh, we thank Thee for the predictions Thou hast given and how they have been fulfilled, for the absolute assurance that Thou art God and there is none other. Oh our Father, may Thou indeed be the God of each one of us, may we cast our sins upon Christ and make sure we are saved through His blood. May we turn away from our sins and look to Thy Spirit to lead us and sanctify us. And oh, our Father, use us each one to lead other souls into Thy kingdom. We ask in Jesus' name. Amen.
