

And the predictions which He made in this Word, which are yet unfulfilled, are just as true, as the predictions which He made and which we see have been so wonderfully fulfilled. And we find in this Word that God has established that things will not all continue as they are today, and we find that this age is going to come to an end "suddenly, in the twinkling of an eye", we know not when; our Lord will come for His own, the Christians will be caught up in the air to meet Him in the air. Satan will then have free rein in this earth for a time, the vials of God's wrath will be poured out upon Israel, and then our Lord Jesus Christ will return to this earth, to take away everything that is evil and to set up His kingdom of righteousness, and peace, and joy.

My friend, where will you be when all this happens? Where will you be? Will you be one of those who will be taken up to be with the Lord? Or will you be one of those who remain to go through the misery of the time of the pouring out of God's wrath and to be cast eventually "into the lake that burneth with fire and brimstone"? We know not when it will be, it might be tonight, it might be tomorrow, it might not be for a long, long time,- we know not. But it is absolutely certain it is coming. And there is one way to determine where you will be when it happens,- "Believe on the Lord Jesus Christ, and thou shalt be saved". We are without excuse, for God has given the absolute proof of the truth of His Word. If we believe on Him, cast our sins upon Him, there is no need that any of us should endure that dreadful wrath. May our Lord make these truths clear to each one of us, may He lead us to look to Christ, be enlightened, and be saved through His precious blood. And may those who believe on Him work while it is day, for the night is coming when no man can work. And may we utilize every opportunity, and every bit of energy to lead others to believe on the Lord Jesus Christ and to be with Him at His coming.
