We're pretty apt to go to our knees, we're pretty apt to start putting the armor on immediately, it's the wiles that we're apt to fall into. So Paul said to stand against the wiles of the devil, ~~for~~ though we wrestle not against flesh and blood but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places, wherefore take unto you the whole armor of God that you may be able to withstand in the evil day and, having done all, to stand. What's the first part of the armor we need to get saved. Stand therefore, having your loins girt about with truth, the truth comes first, and if we don't have God's truth, if we don't stand for God's truth, all the ethics in the world, all the spirituality in the world, all the love in the world will profit us absolutely nothing, if we don't have God's truth. That is absolutely necessary and vital, there's nothing else more vital, but that alone is utterly insufficient, he goes on, having your loins girt about with truth, and having on the breastplate of righteousness. The breastplate, that which defends our most vital organs, because if Satan can find unrighteousness on which he can put his finger he can destroy an institution, he can destroy a movement more easily than in any other way.

Now I just heard last week that there were quite a number of bars of candy disappeared and nobody left money. I trust this was only because people figure that they would borrow the money, they would take it, and they would repay it later, but one has no right to do that, you should keep your body under, you got a craving for candy, yes, but if you haven't got the money to pay for it then, keep your body under lest you be-
