.....to use everything we can to advance His work, but He wants us to use it with the realization that as long as the organization is in the hands of Christian man following Him, it is worth following, and supporting, and working with, and when it has fallen into Satan's hands we must say, get thee behind me Satan, for thou savorest not the things that be of God, and if it does not turn we must turn away from it and start from the ground up, and begin and laboriously build again. Now this is the second phase of the meaning of this passage which I want to bring to you today. I don't think you need it so much as a great many people do here and there, but I think we all need it some. We want to learn not to put secondary things in the place of first things, not to put any secondary thing, no matter how good, in the place where it becomes an end in itself, but only an end as it is true to the Lord Jesus Christ, and serves Him. It is very very vital to be free from human attitudes of reverence to ~~human~~ human organizations or human things, and have the Lord be our objective, and the human things be only a ~~means~~ means to serve the Lord, but what I think is perhaps even more important for us here, than this aspect of it is the third aspect. For there is a very real sense in which any one of us is you say, Thou the Christ, the Son of the Living God, Jesus, says to you, Thou art Peter, and upon this rock, I will build my church, and the gates of Hell shall not prevail against it. If you are convinced of the deity of Christ, if you are ...3... to Him, and living in close fellowship with Him, He will use you to lead people to go forward, in accordance with His marvelous life. He will
