

Somebody has said, God has not asked for loyalty. He has asked for witnesses. Now He wants us to be loyal. He wants us to know apologetics. He wants us to be able to answer the arguments. He wants us to be able to life aside and remove the difficulties that people have in understanding this truth. He wants us to do that, but even more than that, He wants us to be witnesses to what His Word had done in our lives, and He wants us to show forth by an attitude of love toward all the brethren, and by an attitude of the presentation of His truth in the power of the spirit, he wants us to show forth that spirit and that ~~xxx~~ attitude which will lead people to say that man has got something I wish I had. Now, this is not foolishness. You see it is wiser than man. "And the weakness of God is stronger than ~~xxx~~ man" God is not weak. The weakness of God is stronger than man. "For ye see your calling brethren, how that not many wise men after the flesh, not many mighty...let him glory in
