

things in the mind, of things in the emotions, the result of ~~xxx~~ shocks, and experiences that we have had and haven't faced, or the result of sinful impulses which in most cases are simply somethings which ~~when~~ should be right in its proper place, but we've twisted it around to an improper attitude, and improper place, and then have been unwilling to face it clearly, and to root it out. ☺

Search me O Lord, and know my heart. Try me and ~~xxx~~ know my thoughts, and see if there be any wicked way in me. There are plenty of wicked ways in all of us. But O may the Lord enable us to come to Him to search us. May He enable us to bring to consciousness those things in our minds that are ~~xxx~~ festering there. May he enable us to bring them to the foot of the cross, to Christ, the great physician, the one who can heal more than any earthly one can heal, to bring them there, and to put them there, and to be satisfied with what Christ gives us in all three of these domains. May He then lead us in the way everlasting. Let us pray.....
