

The ~~git~~ vital part is to pray to God that He will cleanse us from ~~what-will~~ that which will keep us from being able to see what His will is. I found very ~~quickly~~ ^{frequently} when a student comes to ~~me and~~ to ask me a question, " I am somewhat ~~discouraged~~ ^{distraught} and I do not know what to do. I do not know to do this or to do that. I just cannot decide what to do. I wish only the Lord will ~~de-~~ tell me. I have found

that time after time all I have to do is to say, well, what ~~would-be~~ the results / of this would be. Which would be more honoring to the Lord. This would lead to

what kind of results, and that would lead to what kind of results? Well, then

which is the Lord's will? ^{Why it's this."} It is always very easy to show someone else the will of the Lord, not by making the decision for them, but by ~~help-~~ helping them see that the reason for their uncertainty is that ~~certi-~~ certain purely human or selfish ~~most-~~ motives are keeping them from ~~seeing~~ seeing the plain facts of the case. There was

the man that prayed Oh, Lord show me which woman you want me to marry but let

it be Elizabeth. So often our prayers are like that. We want the Lord to show us ^{want it to be this because} ~~we think~~ this is what we

His will but we ~~want to-~~ think we would like or enjoy ~~but---~~ what will increase

our fame, what will give us more money, what will in some way satisfy our natural

human desires. And as ~~our-~~ long as our natural human desires are entering into a

decision, we ~~at~~ cannot ~~at~~ know what the Lord will do. Dr. Torrey ^{at one time} was pastor at one

time of a very successful church, ^{in a certain town} and he was called to be the ~~past~~ pastor of a church

in a different place with entirely different circumstances and when he received the ~~clat~~

call, he felt he was so effective where he was, he felt his work was ^{so} ~~no~~ needed where

he was and was coming to be so praised for the ~~work-~~ work that he was accomplishing

^{here} that it just ~~seem-~~ seemed utterly silly of quitting and going there, and yet he saw tre-

mendous opportunities there and he didn't know what to do, and he took three days and

during those three days, he prayed to the Lord with this in mind, that the Lord would
