

A-2

~~He~~

He should spend four months in Christian practical service,, how many desire to give... or something else requires many. As a result in summer you could earn money instead of having Christian experience. But I have found that in Princeton Seminary, every ... ~~we~~ we had found the summer that was spent for practical Christian service ... the next year you get twice as much value ~~as~~ out of your work and course of studies. ~~th~~ .. but those who do not have ~~any~~ Christian service- experience will in the immediate context would... as it is , but not in the Seminary we have found out... There was a professor there in the Old Testament.. who has fully mastered in dealing with critical ... He ~~ta~~ would take up the arguments on the Mosaic authorship of the Pentateuch, and he would present them ~~of~~ very effectively, and ... Christians ... quite Christian background. ... some queer animals... that never actually existed... that any body can be quite sure of... When he started to teach pre-millennialism, the students who came from _____ background would take up the subject, and then they would be interested , and that would stimulate him. And then ~~he has some~~ had real arguments in the arguments against ~~and for the~~ premillennialism, I ~~did~~ and then I used to say, my, if I ~~would~~ take these students, and send them to the Union Seminary in their 1st and second year, ~~and~~ for ~~a~~ one or two semesters. ... and then let them take some courses on criticism on the Pentateuch and come up with arguments that ~~if they-~~ they could not answer, ~~and let~~ them see that and work out a mighty, powerful system, and let them come up ~~with it~~ against it and face it, and see that they need the answer, and then let them come back and take these classes, and then they would be thrilled and interested, and they would have done what they needed in this ~~of~~ regard, ~~and they would be then we would~~
