

It's not a thousandth as important as ~~it~~ a person lose the opportunity of eternal life, in Luke 12:4-5 our Lord Jesus Christ said, I say unto you my friends, Be not afraid of them that kill the body and after that have no more that they ~~&~~ can do. But fear them that ~~for~~ after ~~he~~ has killed ~~has~~ power to cast into hell. Yes, I say unto you, fear ~~kr~~ him. The healing of the nations may involve the removal of wicked forces. 20 years ago our nations joined ~~wik~~ with other nations and get rid of Adolf Hitler and if we had not done that Hitler would have taken ~~of~~ over Europe and Britain and the chances are that we would have a . . . than what we ~~had~~, and his method of ~~x~~ subordinating everything to ~~his~~ - his wicked purposes, were something that had to be ~~a~~ dealt with. And I would say that the Christians that took part in that were indeed participating in the healing of the nations. About ~~in~~ 1917 there were approximately 5,000,000,000 Baptists in Russia, they had come out of the Russian Orthodox ~~Chr~~-Church, and there were 5 million all over Russia, and there were many groups of Russian Baptists that were earnestly endeavoring ~~x~~ to follow the Lord, and then the Communists took over and 4 1/2 million of these 5 were seized and sent to Siberia ~~and~~ -- and put to work in the hardest labor ~~wik~~ so that ~~wik~~ within five years they all ~~for~~ fell by ~~the~~ the wayside as a result of the torture and treatment that they received. We even ~~a~~ had a depression as a result of the great amount of timber that the Russians sold at low prices at that time. when they had this great source of slave labor ~~x~~ that they were using until it was used up, and the other 1/2 million ~~wik~~ now have their leadership controlled by the state and are forced to support the ~~communis~~ communist regime, but what communism is ~~ther~~, -- did there is what it will do here, if it should get a chance, now, what . . . we are to be ~~inde~~ed for ~~th~~ - ~~the~~ the healing of the nations.
