

We thank you for the clear way in which it brings-ku out the meaning of salvation. We thank you for the clear way in which it brings out our human fallibility, our human sin, and our human weakness. Oh, our God, what you could have accomplished, if we would just be ~~he~~ wholly dedicated to our lives.

~~Oh, our--What-you-might-have-accomplished-~~ What might be accomplished if those who name the name of Jesus Christ truly put Him first, and turn aside from their personal pride, their personal desires, /how much happier we would all be in the end, if we truly put Him first. Lord, our God, when we think of ~~the-~~ what you did when you gave your only begotten Son to die for our sin, to die that we might be saved, and Oh, Our God, how little we do, how little we give up for our sake. Help us to understand your truth. Help us to see how dependable is your word, ~~ah~~ how fallible is everything else/ in comparison with it, and help us fix our faith in Jesus Christ who died that whosoever believeth on him might not perish but have eternal life and help us to tell others how they may be saved through him. We ask in Jesus' name. Amen.
