mechanic. I think it was in Holland, made a lens, and put two lenses together. And the telescope was invented. And Galileo down in Italy got a hold of the th telescope UTRASH TRUET GORN EIGHAMOS BANK and he looked at the sky, and he found that in addition to the 4000 stars, therew were EMGITUJORAH INTRODUCTION ENTROPY thousands and thousands and thousands of stars that Abraham never dreamed existed. SUPPLEMENT NO. 8 And today we read it, "if you can number the stars", and the scientists will tell us AS AMENDED TO FEHRUARY 20, 1962 that there may be a billion stars in our galaxy, and maybe a billion galaxies. The number of the stars is beyond counting. "But Abraham couldn't know it -- unless he was very ignorant and thought what nobody of intelligence in his day thought. And certainly Ptolemy had absolute proof of the contrary. And it wasn't until we got the telescope that we saw that the illustration God used was a correct illustration. an even better one than the dust of the earth And so he believed in the Lord, and He counted it to him for righteousness. . bebrane as . deer h. d redmound no brand Oh, may we believe in the Lord. And when the Lord says that the sin that is 10k within us is so terrible that we all deserve eternal death, let's not say,"Oh, I Signing outhoutty for the following has been cancelled: know that other person; he's apretty-widked a pretty wicked person; look at the mean Consid L. Let us pray: "Oh, God our Father, we thank You that we know that this Word is true. We thank You, our Father that we can believe. We thank you, our Father, that though you did not give it to us as a book of science, you didn't give it to us to tell us <u>how</u> You created the world, or when You created the world, or to tell us facts of science that have been discovered since, yet that wherever we can properly infer a fact from it, we can <u>know</u> that it is true. Oh, our God, you have told us of earthly things; and we can believe it. Help us to believe when You tell us of heavenly things. We ask in Jesus Name, Amen.
