

~~It is so easy for you to accumulate~~

procrastination. I have started some very excellent ideas of saving time and arranging just within the last two or three months that I wish I had started 30 years ago. It is very easy to put things off and put things off, especially when things are on a small (?) ~~xx~~ scale (?) (nt clear). If (?) When(?) they (we (?) you(?) get on to a bigger scale it is much harder to make a change

Most ~~the~~ libraries 40 years ago followed the ~~xx~~ Dewey system of classification. of the Today I believe most/libraries follow the Library of Congress system or some adaptation, and many a library has found it necessary to make a shift. They found that one system or the other another works better for them. It is very ~~importxx~~ important to think these things through before you start as ~~(?)~~ far as possible , not to put it off. Besides, what will be most useful for you now, and what will be most ~~xx~~ helpful for the years ahead, (notclear) and therefore it is very self-important in these things to work out a (sounds like "gumpits") system the (?) were a system there, a system that will save you time and help you to accomplish much more in the LOrd'd service.

Now number 5 - small 5

5. Meaning of the pillar of cloud for our lives. The pillar of cloud led the Israelites through the wilderness. Whether it led them all the time or not we are not sure. I think there is strong reason to think that it was intermittent, but it was definitely there, the pillar of cloud leading them in their very important pilgrimage, their wilderness ~~xxx~~ journey. And every Chn^o is now in a wilderness journey. He has left Egypt, he is on his way to the promised land Promised Land but he has not yet come there. And in the journey of his life it is tremendously important that he see the importance for him of everything that was important in the journey of the Israelites.. And so the meaning of the pillar of cloud for our lives
