

relation to it. Let us pray:

O God our Father. We think you that these things were written for our admonition in the OT. That they were written to show us how we should live and what we should think. But O our God help us to see Him who is invisible. Help us to have the necessary faith which is the ~~gas~~ basis for love. The faith which is the necessary basis for hope. The faith which is not just an idea or a thought but a conviction, so that we say, Woe is me if I preach not the Gospel. O our God help us not to lose opportunities, But when we do help us to see it soon and help us never to make the mistakes that the Israelites made in this relation. We ask in Jesus name. Amen.
