

Paul, I'm so glad to see you . You've come to bring us what we need . You've  
eje come to help us. No, ~~Paul~~ Paul went down by the riverside and there he found  
some women who were washing by the river and to those women he brought the  
message. The men there in Philippi put him into prison , they put him in  
stocks . It took an earthquake to force those people to realize they needed  
help. People don't realize that they need help, but they do. The vision is  
a true vision, Come over and help us. God wants these people to receive help,  
but they don't they need it, in most cases . In most cases they ~~were-rejected~~  
will reject it, My people have rejected knowledge but God wants us to keep  
after them no matter how much they reject it . He wants us to keep after them  
and keep after them until the message ~~that-is-so~~ gets so plain to people that  
they have to make a clear cut decision and in the most unexpected cases , the  
Holy Spirit will come into their hearts and open their hearts and give them  
an understanding of the message of salvation. We can't say, this man is utterly  
hardened. This man is turned away.--~~He-won-~~ We can't say that, only God knows  
the heart. And God knows which ~~was~~ ones which seem so uninterested , His spirit  
is going to touch and ~~it~~ will become great leaders for Him. And He knows which  
that receive us so ~~frin-~~ friendly and seem so anxious to hear what we have to  
say, are just like the Athenians, who were ready to listen to some new thing  
all the time and as soon as they hear us, they go off and hear somebody else,  
and it doesn't go more than skin deep. God knows the heart, we know the external,  
and ~~we~~ He wants us to sow beside all water (?) But you know this message here  
I think has a very ~~speac~~ special meaning for us in America today. My people  
are destroyed for lack of knowledge , ~~him~~ because thou ~~we~~ hast rejected knowledge,  
I will ~~and~~ also reject thee. Was there ever a ~~condition-~~ nation that had such  
an opportunity to know God's truth as America has had, founded to so great an  
extent by ~~pe~~ people who came over ~~th~~ here from Europe because they wanted to  
~~we~~ study the Bible and worship God as ~~th~~ taught in the Bible. That's the way
