

helping others grow in grace and in the understanding of the Scriptures. But most important for everyone upon this earth is ~~the~~ ^{this} question: ^{Am I} Are you growing in grace the way God wants ~~me~~ you to? "For this is the will of God, even your sanctification..." (II Thessalonians 4:3) May God enable each one of us to understand His will, to put our stress upon it, to study the Word with this in mind, and to move forward as He desires.

PRAYER: Oh God our Father, we understand what your will is, but how far short we fall of doing it. How easily we are turned aside to the things of this world that attract us, to the types of interests, learning and activities which, although good and appropriate in their place, we allow to crowd out the most important things. Help us, our Father, to accomplish your purposes for us. Help us to win souls for Christ. Help us to help each one we meet to grow in grace and in the knowledge of the Lord. But Lord, help us each one to know your will, our sanctification--this long process, endless while we are in this body. But help us, our Father, to make progress in it. We ask in Jesus' Name. Amen.
