

And God wants us not to put this book on a shelf, and say, Isn't this wonderful. I believe it all! He wants us to put it on the desk before us and study it and apply it to our hearts and feed upon it.

Let us pray: Our Father, we thank you for Jesus ~~Christ~~ Christ our Saviour, the central subject of the Bible. It's central teaching. O we thank you for him. We thank you, our Father, that He gave His life to save us from the sin that is within us, the sin that does so easily beset us, the sin that corrupts our minds and our hearts and results in all sorts of misery for us.

We don't know what you have ahead for each one of us. We don't know what afflictions or sufferings you may have for any one of us to bear, but we know that if we know Jesus as Saviour that through the Holy Spirit we can find the strength to endure whatever is your will for us.

Help us, whatever is ahead that our lives may count for Christ and show forth the sweet savor of His Name. We ask in Jesus' Name. Amen.
