going to survive at all.   Well , they were comparatively minor breaks., but
it was right disagreeable for awhile, while I was recovering.rxqx from it.
They were comparatively minor **breaks** ; I did completely recover from it. But
it happened just fxxx less than a week of ou commencement. I went to our
commencement in a wheel chair. And the people saw me there all bound up with
bandages and so on. I'm sure that many thought up to that time 24 years of
service with Faith Seminary was/at an end. God marvelously raised me up.

And I have a thing that's left, but for me to say ,"Isn't it wonderful **kwu**
how I'm remem delivered from this. All the ends of the world will remember
and turn to the Lord. All the kindreds of the nation will worship before

Ye that fear the Lord , pu praise Him, all ye seed of Jacob, glorify Him; and
fear Him, all ye the seed of Israel." All that God had brought Israel into
existance for was now finding its climax. God had called Abraham out and
Israel out to keep alive His name and prepare the way for the most important
event in human history. The deliverance of those who believed in Christ,
His atonement on the cross. And so He called here on all of Israel to praise
God for what has happened . And the first message ixx went out to Israel and
