

them out of my heart and help me thus to make progress in sanctification and lead me in the way everlasting. Oh, if you have any question of whether you belong to Christ, if you have any question whether you have ~~α~~ looked to Him for salvation, born again through ~~κ~~ His precious blood. Then, that is the first thing, then look to Him, ask Him to enter ~~χ~~ into your heart , to save you from sin through ~~the blood—our~~ the Lord Jesus, our wonderful ~~sa-~~ Saviour but after you are saved, then keep looking to ~~hi~~ Him day by day, to mould you into what ~~you~~ He would have you to be, knowing that He is with you all the time, understands every thought in your heart and desires to help you, if only you will look to Him. Let us pray.
