

play
time Christian service as we call it. We all have an important part to play
in His plan. We might add as a third subpoint is that it is His will that we
do good along the way. We are not simply to deal in spiritual matters. We are
to help in material ways whenever we can. We are to feed the hungry. We are
to clothe the naked. We are to do what we can to ameliorate the sufferings
of ~~at~~ this life, but this is never to be our major objective. It is silly
to talk about building a perfect world. You can't build a perfect world
with imperfect people in it. Even if all the people in the world were
converted to Christ, and if all went forward greatly in grace and knowledge
of Him, there would still be serious problems, that would cause real
difficulty from time to time. If you've ever seen a church made up of truly
born again Christians divided over sometimes a petty point that turns them
into fighting bitterly against one another, you know how easily this can
happen, even among good Christians. It is silly to talk about building a
perfect world each of us must do the good we can along the way, the perfect
world will only come through Christ's activity.

[To live above with saints we love, O that will be glory!
To live below with saints we know, Well, that's a different story!]

Today the world is in a worse situation than it has ever been, with
a great wicked force determined to smash all that is good in the world,
we murdering thousands of Vietnamese right at the present moment, destroying
thousands of ~~Christ~~ Christians throughout that land with thousands of Christians
in Communist Russia and other communist countries being thrown into prison
and subjected to cruel torture and misery. Most of the Christians in China
having been killed with the American people being constantly propogandized
that the Communists are good people and we should not oppose them, and we
should not have even have rescued from Vietnam 50,000 of those who would have
been tortured first. We see what a terrible situation the world is in. God
has a purpose for each one of us in this world. We are part of His plan.
