My times are ' #2

How often we are frustrated because we set an appointment and the other person
doesn't show up. We plan to do a thing in a certain time. The time comes.

Circumstances are not available. (nc) We cannot accomplish it.

How frustrated we are. Everything was carefully planned, and yet someone
fell down, or circumstances ~~✓~~ over which we have no control did not work out.
The time was not there. "My times are in thy hands." God controls all the
circumstances that we don't have control over. over which we do not have
control. All the circumstances that we figure out very carefully and do our
best, and yet they don't do not work out right to our pleasing satisfaction.

They are in God's hands. God controls them. When things go wrong through no
fault of our own we can look up and rejoice, and know that God has a good

purpose in it all. A man rushed to catch a train. He had to be at a certain
~~px~~ place at a certain time. The only way he could do it was by getting this
particular train. He was on the way to the station and the (nc)

he got a flat ~~xxx~~ tire. He was held up. By the time he could get it fixed fixed it
it was too late. He got to arrived at the station just in time to see
the plane rising from the ground. (at a station?) Through no fault
of his the time was gone. (He should have had new ~~xxxx~~ tires put on previously)
he(?)

Later he heard this plane had crashed. God had known what He was doing. God
had spared his life. The time did not Despite his best effort the time
did not work out, because God had other plans for him. (nc) first

to make excuses about time. "The ~~T~~ time is not ripe." This may be so. God
has His plans; He has His time for everything. ~~YK~~ Yet it is always the right
time to do a good thing. ~~ANYXXIXIXE~~ (Remember Gomer Pyle's propensities to help
people in trouble when on a designated errand for his sargeant?) Any time
is a good time to do something that needs to be done. It is important of
course to do the thing that most needs to be done first. How ~~often~~ often we
spend our time firrtter ~~✓~~ away our time working at things which may be good,
