Inland Stages,
225 Winsten St.,
Los Angeles 13, California.

Dear Sirs:

Last summer I purchased a round-trip ticket from Mojave to Lone Pine. After two weeks there, I returned sooner than I expected. It happened to be on a day when the stages were very crowded, and I was fortunate enough to secure other means of transportation as far as Mojave. There, I purchased a ticket on your line, which took me on to Los Angeles. The result is that I find that I still have the return portion of the ticket from Mojave to Lone Pine. I am enclosing it, and will appreciate it if you will mail the refund on it to me here at my residence.

Yours truly,
