

but he spoke like a dragon, and he exercised all the power of the first beast before him and causes the earth and those that dwell on it to worship the first beast whose deadly wound was healed. And he does great wonders so that fire comes down from heaven upon the earth in the sight of men and deceived those that dwell upon the earth by means of those miracles which he had power to do."

Then 2 Cor.11:14, "And no marvel for Satan himself is transformed into an angel of light." At the meeting in Chicago there were quite a variety of activities, but it was very _____ activity. There was a group there all by invitation, somewhere between ~~250 and 300~~ 250 and 300, and I believe at least 100 of them were professors in theological seminaries or in Bible colleges, mostly in theological seminaries. There were over 30 who were presidents or deans of theological seminaries or institutions. It was a varied group from a number of different denominations, and there were work meetings that were very important and very interesting and I'll say a word about them.

But first I'll mention that there were 5 or 6 general meetings at which there were inspirational speakers. One of those I was particularly impressed by -- he was a very eloquent speaker. He told about his being a young boy in a little town in Texas. He said, when he was 10 years old he went with his mother to an evangelistic meeting. When the evangelist had finished his message his mother turned to him and said, Son wouldn't you like to received Christ as your Saviour now. He said, Yes, I would. And he went forward. When he was 17 he began to preach. He went around to little towns in Texas.
