

The greatest spiritual experiences have come under those circumstances throughout history, ~~xxx~~ at least many of the greatest. But by far the greatest number of spiritual experiences have come when people have been gathered together in a worship services. We should not only worship God in church; we should worship God many many times. We should ~~x~~ try to be constantly in the attitude of worship.

A book was written some years ago called THE PRACTICE OF THE PRESECE OF GOD. It had a great influence and was gratefully used. The man who wrote the book, expressed the great importance of always realizing that God sees all we do. That God is aware of everything. We are in His presence all the time. Keep that in mind, and it is an important thing the practice of the presence of God. This is good, This is vital.

But at least the term used there is not sufficient. It is not enough to realize we are always in the presence of God; we should try during most of that time to be in attitude of worship toward God. That is to say we should be looking to Him in adoring contemplation, of His majesty, of his goodness and of His holiness. And of gratitude for what he did when he sent the Lord Jesus Christ to die in our stead on the cross. God is seeking such to worship him Jesus said to the woman at Samaria. This is the kind of worshippers God is seeking. God has sent us here in order to be His instruments in seeking this kind of worshippers. God is particularly anxious that we ourselves be this kind of worshippers. He is seeking worshippers. He has ordered the angels of God to worship Jesus Christ. He wants us to worship Him in spirit and in truth.

May God enable us to realize the importance of worship. May He enable us to understand what true worship is. May he enable us to receive the true blessings of real worship that we can receive in services, but to realize that the important thing in worship is our
