

2 God's Word in Man's Language---Outline

- 8 RSV, 1881. Poor style.
Archaic style of KJV -- I do you to wit
Froward
speak leasing
meat = food
be csreful for nothing
Need for good English translation for today.
Satan's wiles
- 9 Tries to keep us from getting the ideas God has revealed in Word
By getting unbelief into translations, or
By getting people to stick to what they have used for 400yrs
and can't understand
- Textus Receptus 20 yrs. after KJV. Differed in over 200 cases
from Greek text used by translators of KJV 20 yrs. before.
- Creed of the Alexandrian cult
- 10 Earlier MSS come from Egypt. Most of copies written before
500 A:D. come from Egypt.
- Athanasius, Bishop of Alexandria, stood for truth of God
- Three courses if going to make translation into Today's English
Take earliest copies of Heb and of Greek MSS and make a translation
or,
10-11 Take the 3000--4000 MSS of NT and find what the majority of them
hold
or,
Take the MSS Erasmus used few of which antedated 1000 A.D.
and make up what's missing from the Vulgate=
- 11 Method that follows the TR is by far the worst though
made honestly
- 12 Stop arguing about translations which is nearest the correst text
Gospels call Jesus by one or more of his names
Copiests would add 'Christ' after Jesus, etc. or omit
- Read Word in any translation but make it a lamp to our feet
- Norman Jeron^{ms}'s closing remarks
