

God wants us to be willing to hold and to witness in difficult situations and if we have little results to keep pushing ahead and serving him. He wants us also to be ready when the situation is such that it is his will to push forward and have a great effectiveness and accomplish much for Him.

May God use each one of us to hear the Word of God ~~xxxxxx~~ like Jonah did. The Word of the Lord came to Jonah. Jonah acted on it. At first he acted wrongly. Then he acted right. All of you will sometimes act wrongly on God's Word, but when you do don't be crushed, don't turn aside, don't desert the work of the Lord. So many do. But look to God for power and know that if you push forward and do your best to ~~xxx~~ work and also to relax, no one knows what God may permit you to accomplish if our Lord carries. Let us pray.

O God our Father we thank you for your strength, for your power. We thank you that you are the God of heaven and earth who created all things and control all things and you have a plan for the life of each one of us. You have a purpose. We all fall short of your purpose and fail in many points. But O our God as we keep our eyes on you and keep pushing forward to do your will, who knows how many we will meet in heaven who will say, You didn't realize it, you didn't know it, but God used your testimony to change my life around and to bring me to a knowledge of Christ.

We don't know what we'll find as the result of our life when we come to heaven. But O our God we thank you that as we keep our eyes on our Saviour there is no knowing what you will accomplish through us.

Help us we pray to hear the Word of the Lord, and to go even if it be to Ninevah to serve our Saviour. We ask in Jesus' Name. Amen.
