

- 1 Amos 4:12 Prepare to meet your God
Prepare to meet him every day
In prayer every day. Be aware of His presence

- 2 Preparation for the visit of a loved one
Christ's return clearly taught Mk. 13:32-34
God not chosen to reveal details

- 3 Christ said he would return at a time we did not expect him Lk.12:40
In Lk. 12 the Lord is not discussing eschatology in context where
He tells us to be ready

Those to whom He speaks include us today

- 4 Importance of being ready to meet Him
Live in the light of His coming 1 John 3:1-3

Every Christian is called of God to give forth His Word to others
Crossing the ocean never made one a missionary

- 5 In 400 A.D. Augustine would have been surprised if someone had told
him the Lord would not return for another 1500 years

1 John 3:14
Recalls when in seminary various students had no use for each other
but two of these have both stood faithfully for the Lord though they
had no use for each other then. Love one another.

- 6 Be prepared for our Lord's coming
