

Let us pray. Our Father we thank you for this psalm. We thank you for the clear of the Psalmist and for the clear understadding of Paul who said that the universe speaks clearly of God so that it is only by shutting out eyes to the fact that we fail to recognize your power and your majesty.

We cannot know what your character is except by what you have revealed to us. We thank you for your Word. Help us not to be led by shibboleths, not to be led by statements of what others may think or by that which others have written, but help us we pray to build our knowledge, our understanding and our character upon the holy Word that you have given us. We ask in Jesus' Name. Amen.
