

O God our Father, we pray that you will enable us to look to Jesus as our King. To take his word as the final thing on everything. When we have problems help us to look to your Word and to pray Him to open it up to see him who is our King.

Our great God help us to see Him as Mark did. To see him as the patient burden bearer. The one who does not become impatient with us with all our failures and all our weaknesses, but the One who has the power to solve them and to give us answers to our problems.

Help us to look to Him as our example. The perfect one. Help us like Luke desire the beauty that you desire us to have in life. Help us like Luke to look for the accuracy that Luke shows in his writings. Help us to follow his steps.

O our God help us to see him as the eagle that flies overhead. To see him as the great God and to worship at his feet. But O our God whatever we read help us to see Him who gave his life that we might live. Help us to receive that life into our selves. To go forward in the strength of that life, in the power of his might and to make our lives accomplish what he desires We ask in Jesus' Name. Amen.
