

We persuade them that, no, they need a full seminary course to be able to interpret the Word of God ~~we~~ carefully and avoid Satan's pitfalls and carry the truth to those who need it. ^{Then(?)} When they get the seminary course and instead of going out to use the training God has given them they decide the question when they finish is not as it was when they started, How can I go out and serve God effectively, it was how can I get more study and more training? Some spend their lives studying and accomplishing little for God. Satan puts all kinds of inducements in front of them. I have known fine Christian fellows who have graduated from ~~the~~ the seminary, knowing the truth, but felt ~~wished~~ wished instead to gain more knowledge, and so have I have known several who have gotten a Ph.D., put in years of study, and hard work supporting themselves while working for a Ph.D. at some institution, and then having gotten it, are no more use to the ~~Lord's~~ Lord's work than ~~they~~ they were before, perhaps less.

For every student who will go to Westminster to study for a ~~Ph.D.~~ Ph.D. the institution receives very considerable sums of money as tuition, and the man puts in a ~~great~~ great deal of time, often studying matters that will never do anything to advance Christ's cause, yet are kept on, working, working (nc?) with this thing held in front of them, a Ph.D., and eventually they get it and are after that spend their lives looking for a chance an opportunity to exploit the degree they have secured obtained, and accomplishing no more, or less, for the Lord's work than they could have before getting (?) acquiring it work starting - working in that direction God wants a few to devote themselves to ^{a life} a life of study. For most a Ph.D. is a will-of-the-wisp and an illusion, something that Satan puts there to lead them astray from doing what the Lord wants, reach the multitudes that who are starving but do not have access to the Word of God.

Of course it is very nice if one can have a little group of ~~an~~ earnest Christians to whom one can expound God's Word, and help them to grow in the knowledge of it and let the ~~the~~ rest of the world go by, rapidly heading on its descent to hell. This is the pleasant easy course that many a Christian takes but those who step out to accomplish for the Lord and do not let any obstacle keep them from really doing His work, are few indeed. God desires a few men to be teachers and researchers. ~~fields~~ He desires a great many to go out to the fields that are white unto harvest and reach the souls and reach the souls that need the word the word. ^[O, tjoml, sp, et, jomg os, ossomg, lerer' tje, os a, idded area] He ~~teaching~~ teaching that contains nothing of the real Gospel that their minds are dulled and their desire to hear the truth is destroyed. When Satan has seized an organization it is good to hit the organization directly and destroy ~~the~~ it and ~~the~~ release people from it if that can be done. If one does is not in a position to make real effectiveness that way, then to allow to simply forget them and let Satan take
