

Principles. #1 The Bible is not just the New Testament. The Word of God has 66 books in it.

#2 The Bible does not teach pacifism. There are times to submit and suffer; there are times to fight.

#3 Humanly speaking the Christians in the Roman empire in the fourth century A.D. could have prevented the coming of the terrible dark ages.

#4 Something almost as bad as the dark ages may be ahead if our Lord tarries.

#5 The communist leaders have clearly declared from the beginning that it is their intention to conquer the entire world

] #6 They have made great strides in this direction since 1944 conquering about a dozen countries and constantly reaching for more.

#7 An important part of communist purpose is the utter destruction of Christianity

#8 In all the communist countries Christians have suffered terrible torture and imprisonment.

#9 In Cuba many have been held in prison for 20 years or more simply because of having spoken against communism.

#10 Nicaragua is a powerful beachhead on the American continent closer to Texas than many == a great part of the U.S.

#11 Nicaragua has completely ended freedom of speech and is persecuting Christians violently.

#12 The communists have clearly declared from the beginning that they consider words as weapons to accomplish a purpose rather than means of stating truth.

#13 In recent years while America had let its armaments lag far behind the communists have steadily increased their armaments and once their superiority was clear there is no question what they would do.
