

~~I am an archaic surv~~
a pre-scientific survival

J, E, D, P

no ^{sub} ancient documents ever found

no reference to any sub ancient documents -

purely a figment of imagination.

of ether.

now given up completely -

they very complex -

nothing like it elsewhere -

such alleged certainty -

not found elsewhere -

cf. Homer.

[read left]
etc.

held simply by authority now

the leading scholars suggest

variants which greatly upset

the established ideas

but these simply parrot an

accepted view

tremendous variety in 19th century

particular form thought to fit
with a development idea.
