

I shall be much interested in your reactions to what I have written. It is my expectation to be available during all of this week and at least the first half of next week. After August 16 I do not yet know which days I will be in Philadelphia.

I hope you had a pleasant time in Vermont.

May the Lord bless every step of your valuable labors in connection with this projected encyclopedia.

Sincerely yours in Christ,

Allan A. MacRae  
President
