

Change of vowels in Heb. & Assy. —
seems to indicate existence of Vowel
in one of the two languages — Sittler
can be said at present.

mes	—	mes
Esarhaddon	—	ieblin
Sargon	—	ubir

In Canaan — difficulty of pronouncing
pure long \bar{a} — hence accented \bar{a} becomes
 \bar{o} , hence also Ashkenazi &
West Syriac pronunciation.

In Palestine and southern Syria
pure long \bar{a} nonexistent from earliest
times

P^B 178 — In. & says is explaining an
unknown thing by another. —
not valid.

Continue next week. Try to finish p 116 in
two more sessions.
