

has affected the construct of 6,

(|| 77^v has Arabic fem. ending.
Heb ending would be 7_r)

(| Sometimes construct form used
simply for a hurried pronunciation,
as virgin, daughter, Z¹ein.)

went over numerals

sevenfold, etc., probably not really
a dual ending 7^v - , but the old
adverbial ending 7_r

cf. šibu-ta-o-an seven times

a Canaanism in the EA letters
from which the form at that time can
not be told with certainty, whether 7^v - or 7_r
