Böhl. Zeitalter Abrahams.

Correspondence of Hammurabi and
Ammaphel is available
both philologically and historically.

Böhl thinks it sh. be placed about $\frac{16}{15}$ 00 B.C. from conditions in
Near East at that time

He figures this also by counting
each Biblical generation as about 30 yrs.

^{2nd} 114 background about 1500 is perfect
for the time of the twelve sons of Joseph.
