were at a disadvantage.
(From Mt Tabor one could see clouds coming behind Mt Carmel.)

בָּמָה a very common form.
an acropolis. a religious centre, to any tribe.

The swamps near Haifa are now being reclaimed.

בָּמַת common in Heb. in various forms. Does not occur in the cognates.
~~(except assyrapsu)~~

Eng. abyss goes back to Sumerian

וּבָמֹתָיו an unusual form in this connection
would expect absolute.
Prob. here a shewa is between developments
In Assyrian these are many variations rather than mistakes
in syntax of numbers with no apparent reason.

Way שָׁחַל sing here? Does it go with וַיִּרְכַּב?
