

Satin
ferrum comes from Anatolia.

175] r] not certain by Aramian

glat (r?) Egean civilization suggests
that the words

Gr. oinos ^{Satin} minimum
Word for wine

Heb. יין also in Aramian
before Inlet-European
of Aramian

"The further back you go the more words
and grammatical forms you find".
Later more simplified.

Earliest Inlet-European has large and
unwieldy grammatical structures

Word for rose. ~~also in Aramian~~
~~Ar. American is different - related to~~
Satin rosa Gr. ~~two different~~ ~~Hebrew~~

The word in Heb is lute

bull taurus then Heb. 710'
