

A few words in common between
Semitic and Indo-European, probably
borrowed from a common source.

Buy for the largest Aramaic letter about
500ll., in Hurrian.

Before the Indo-Europeanizing
of Armenian it was ~~so~~ a language
related to Hurrian.

Judges 4.18

šē mīkhe

Burney makes guesses as to
its meaning. But we do not
know the meaning of the word,
and it occurs only here in the Bible
