V. 21 577 P. D from
7 P 1 to here.

0x5 2 found elsewhere without an x

(9 Y 7) must be from 9 7 Y as it stands
astative verb.
If from 9 7 Y it would be 9 Y 7)

See
9 Y 7
9 Y 7

Con. shows the 2nd verb follows
the first. But it could not mean:
He was fast asleep, and so he was
very tired. The order is reversed from
what one would expect.

Must change it to 9 Y 7 ! "and he
was fast asleep, having been very tired"

~~777~~ How do we know that 17 P 1
means temple?
