

elsewhere.

Prof. Burney wrong in thinking
Aram. P/Het. were very close in 12th
century.

In 3rd millennium many non-Semitic
elements in Palestine

By 2000 the Semites were in
ascendancy.

In 2nd millennium new non-
Semitic groups came in. We cannot
as yet show any relationship between
the non-Semitic peoples of the
2nd ~~century~~ millennium, and those of
the 3rd millennium.

There were many different
groups in Anatolia. ††
