

of a number of races. So also today.

Today the language of Aleppo is Turkish.

The district was so full of non-Semitic elements that criteria from it cannot be readily applied to conditions in Semitic regions.

The sloughing of censenants may have been due to sloppiness.

The censenantism not well established in no. Syria in 9th century.

"Let's not forget that the Habiru are at least 3 stages removed from the Jews."

"Early history of Habiru - Dr. Speiser expressed certain definite theories."

Burney thinks Heb. and Aram. were rather close at time of Song of Deborah. Hardly seems to hold.

Better to consider that we have here evidences of 2 ethnic groups present in the land.
