

themselves Arameans,

Habiru a functional name

Aramean an ethnical name

A group of Habirus breaks off and becomes known as Israelites.

Origin of Israelites - time, etc., unknown.

Habiru waves lasted prob. from about 1750 to about 1300.

It is quite clear that the Hyksos had large Habiru elements.

Habiru was a term applied by the settled element to those who kept on moving. Nomadic.

---

Some of the invaders had come in about 1400, about 200 yrs before time of Song of Deborah. Natural enough for
