

that I have written down here, as primary functions of ch. govt. This one is very ~~xxxx~~ vital. I would like to ask you, between now and Tuesday, if you would, not to spend much time on this, but to spend a little time on it. I am going to put ten copies of this form of government for the Bible Presbyterian Church in the library.....(end of record)

Record 40

And I would be pleased if you would have time to spend, say a half hour, looking ~~thru~~ through it. Asking ~~yours~~ yourself this question, what does this book ~~do~~ do to decide who is going to be the preacher in the church. And there will be other things that we would like to ~~xxxx~~ study in this book, at various times during the rest of the year. So, if any of you care to buy a copy from Mr. Hunt, it would ~~be~~ help in connection with other assignments, and also with ~~xxxx~~ class discussions. Now, I would ~~x~~ be very happy to get these for you for just a quarter. We will have ten in the library. Now, if any of you know of a handy book like this that presents a form of govt. of any other' denomination, that would be useful for consideration in this course, if you could get me one copy, I would be glad to run through it and make references. If you get two or three, I might be able to assign work in it. If you could ~~xxx~~ get as many as ten, then I will put them in the library and make definite assignments in them. Because I think it would be most useful if we could compare our viewpoints and questions, and see what certain systems are that are used by certain groups. And you see, this is this vital question, how is the preaching protected. How is the determination of the preacher in the Bible Presbyterian Church. Well, I would be equally interested in having you decide ~~xxxx~~ about other churches, if we could get copies such as we can compare with these. So if any of you know of a booklet, if you could get them I would be very glad to have them available to all who care to see them.

(break in record)

/The primary function of ch. govt. is to determine who shall preach to a certain ~~g~~ congregation. And it is what we have looked at. You notice how great an importance this matter was, and that actually this is by no means all
