

E-34

We have constantly seen how this chapter 54 is connected with chapter 53, that precedes them with 65 that follows. It is a corporate outworking of the results of what he had accomplished what he had told us in chapter 53, and it works out in this way in the way of ... through the individual offer that is given in 65... the basic ... but the result of ... 54 is ... after giving the tremendous accomplishment of the heritage of the servants of the Lord... is never again used ... that describes 52:13... the servants does the great work and ... the term servant of the Lord is never again used ... but we have the servants of the Lord, and they are the followers of the servants... they are the ~~term servant of the Lord is never again used...~~ ones who are promising by the word servant... so the servants of the Lord ... we see the ~~we-~~ outworking and result of the servant of the Lord. (13.25) So, chapter 54 is in a way summarized with this last phrase in it. This is the heritage of the servant of the Lord, and their righteousness is of me. And this, of course, the righteousness has been confirmed by Isaiah 53. Now, it belongs to the servant of the Lord. Their righteousness is of the Lord... This whole chapter is dealing with the servant of the Lord, but we noticed that in the very first verse that it deals with two groups of ~~persons~~, the one that is spoken of as a desolate one, and one that is ~~pe-~~ spoken of as married wife. These are the two groups that are spoken of, and in contrast with verse one, and then ~~many-~~ in many of these verses we look at the true believers regardless of the fact that ... you know ~~if~~ you might say ~~if~~ ~~you-~~ you think of the speaker of chapter 54 as facing two or three people, and he could look at the ... and say so and so ... this one and this one... just turn of the head will show difference and ...
