

but will keep their minds focused on that, and that is why I am trying to stress that it is ~~these~~- these simple things that can do a lot . . . ~~and~~ I think it is easy to ~~translate~~ . . . and having ~~completely~~ done it . . . And if we look . . . so why do we translate it as a perfect. Well. now, I used to wonder . . . and I thought that he was taken from prison and judgement, and here he divides the spoil with the great . . . and he has borne the sin of many . . . How did that fit in ~~th~~ here. And why is it . . . He will ~~make~~ intercession for trans~~gressors~~ . . . We ~~have~~ have not ~~merely~~ merely the finished completed work of Christ on the cross. We have the continued intercession of Christ . . . and the chapter does not end with a dead Christ who has done a great work . . . the ~~great~~ great work is finished . . . but continually He is at ~~the~~ the right hand of God . . . and Isa. . . and he makes intercession at the right hand of God . . . Yes, He is God and he is man . . . He certainly could not . . . He is ~~not~~ not a sinful ~~man~~ man . . . But He is ~~God~~ God

I would say that it can ~~be~~ be taken as a future act, but ~~that~~- I think there is a definite future act . It's occasionally used of the ~~past~~ past time. And ~~that~~ ~~is~~ there is a lot of O.T. ~~th~~ that we haven't covered, going on ~~with~~ with the same ~~sort~~ sort of ~~thing~~ thing that we are doing. The only think~~g~~g is that in the last couple of days ~~were~~ to feel at first some what with the ~~first~~ first 10 chapters of Ezekiel. . . . I might deal ~~with~~ with the meaning . . . and relation in English so I don't ~~want~~ want to ~~give~~-give a whole ~~cou~~- course in Ezekiel, but we find spend ~~as~~ as much as three or four hours on the English ~~interp~~ interpretation of the Chapter, but then we will look at other verses. That was the idea I ~~sketch~~ had in mind . . .
