

There is opportunity for one most important choice--the choice of receiving Christ as Saviour. He said, Him that cometh to me I will in no wise cast out. He said, Paul  
If anyman believes on me he will have eternal life. He said, Believe on the Lord Jesus Christ and you will be saved and your house. The hymn writer said, The soul that on Jesus has leaned for repose I will not, I will not desert to his foes, that soul though all hell should endeavor to shake, I'wl never no never no never forsake."

It is very important for each of us to examine our own hearts and to be absolutely sure. Have you truly received Christ as Saviour? ~~Beee~~ Does He live in you? Does He use you for His purposes constantly? Prone to wander Lord ~~xi~~ I feel it, prone to leave the God I love. Yes, we fall so very short. We wander so much. But he has said, I'll never leave us nor forsake us and that His hand is upon us. We cannot st~~ay~~ay from Him. We are saved through all eternaity. Each of us needs to think this through very carefully. Have you truly believed on Christ? Do you know that you have?

Maybe you don't know. I heard recently of a man who taught in a Sunday School class that no one knows until they die whether they are among the elect. Nobody can tell whether he is truly saved or not. I would accept this statement with a little revision. I would change it to, Nobody can know about somebody else, whether that other person has truly been saved or not. I believe you can know about yourself. There are two who know whether you truly have believed in Christ. ~~Ther=i=~~ There is yourself, and the Lord Himself. If you truly know you have believed and have assurance you can trust in Him. You can know that He willbring His perfect will to pass. You will wander from Him at times, and you will feel very very sorry that you have. You will deeply regret it. You may regret it through all eternity, but you will realize more and more it is only His goodness, not any goodness of you
