

areas . One of these is in the chapter of Genesis , in the 15th chapter seed be
of Genesis, and you read there that if thou art able to number them, so shall thy seed
Abraham would
go out there on a clear night and he would look up there at the stars and
he would say Oh, just look at all those stars and ...Abraham was not an
ignoramus. And all that were in Mesopotamia, that were astrologers and
they knew that would be nice ..and God didn't say what nation was ~~to~~ going
..and Abraham ~~must~~ must have said, Now, isn't that queer that God gave
this ~~is~~ illustration. Isn't that a strange thing~~x~~. ~~Oh~~ When God said...
and there are only three thousand. Well, that is no great nation...and God
didn't say one nation was going to come, He said many nations were going
to come. And Abraham ~~must~~ must have ^{thought} ~~said~~, Now, isn't that queer. Isn't
that a strange thing. Why, I know plenty of ~~poor~~ people in Egypt and Mesopotamia
~~that~~ who counted the stars and they say that there about ...why did God use
that figure / ^{...} They say ~~that~~ that there are over a billion galaxies , each of which
contains millions of stars. ~~But~~ So God gave a sufficient amount for the purpose
but it contains within it a suggestion of fact ~~that~~ which would not be discovered
until three thousand years ~~later~~. ~~And~~

#3

~~And~~ And they would see galaxies of which there were over ~~they~~ ~~w~~ say there are
~~over~~ ~~over~~ over a billion galaxies -- each of which millions of stars, and so the figure
which What is your question. Yes, ~~best~~ let's take just a second for that.
I don't want to take too much time because I have ~~two~~ two more Roman ~~number~~
numerals to cover. But Galations 3:15,16 ...and to Abraham and his seed.
...Yes, God said to thy seed...but God ~~also~~ also said, Thy seed will be as the
sand of the seed ~~of~~ for the ~~mult~~ multitude...the word seed is a word which can
